## Grills

	Description	Compatible Firepits
<div data-bbox="97 280 383 582"> <p>#1209</p>  <p>#1208</p>  <p>Ringgrill® 80</p> </div>	<p>The award winning Ringgrill® from Yagoona. Entertaining and social cooking come alive with this innovative and inviting design. This special grilling ring is split into 4 separately mountable heavy steel cookplates which combine to create a huge, functional grilling surface which. It's careful engineering plate design resists warping in the heat of the fire. The result is a grilling ring that stays flat and level in most conditions saving oils and fats from running into the fire and flaring. The Yagoona Ringgrill® comes in 2 variants, a round hole (1208) and square hole (1209) versions. Both will host up to 10 people with comfort.</p>	<p>1605, 1606, 1510</p>
<div data-bbox="97 689 383 992"> <p>#1212</p>  <p>#1213</p>  <p>Ringgrill® 100</p> </div>	<p>The award winning Ringgrill® from Yagoona. For the big entertainer or professional applications. This special grilling ring is split into 4 separately mountable heavy steel cookplates which combine to create a huge, functional grilling surface. It's careful engineering plate design resists warping in the heat of the fire. The result is a grilling ring that stays flat and level in most conditions saving oils and fats from running into the fire and flaring. The Yagoona Ringgrill® comes in 2 variants, a round hole (1213) and square hole (1212) versions. Both will host up to 30 people with comfort.</p>	<p>1607, 1511</p>
<div data-bbox="97 1099 383 1406"> <p>#1002</p>  <p>Barramundi BBQ 80</p> </div>	<p>The award winning Barramundi BBQ from Yagoona. This grill stands out from all other wood fire grills in that it uses the heavy steel plates to balance out the heat from your fire rather than using only hot coals. The 8mm rolled steel cookplates are both reversible and removable giving maximum cooking flexibility. Mix and match cookplates to suit your menu. Remove one or both of the plates to expose an adjustable skewer rack to slowly roast your favourite Shish-kebab recipe directly over coals. Use the supplied tools to reconfigure the cookplates, even when hot. Remove a hot plate and use it as a food warmer or a mini table grill with the Barramundi Hotplate holder (1124).</p> <p><i>The Barramundi BBQ and the Ringgrill (both 80 and 100) are designed to work together as a complete wood fire grilling solution. Either grill is capable of amazing results over a wood fire, but they are intrinsically different types of grills.</i></p> <p><i>The Ringgrill is a social grill with an enormous cooking surface and 360° access, together with the iconic fire burning in the center of its steel ring. Simple, and elegant.</i></p> <p><i>The Barramundi BBQ is the grill chef's wood fire grill. Its real potential of this unique grill is unlocked when a chef masters true fire control. The thick steel of the cookplates are the key to taming erratic flames into a stable usable heat. With many cleverly hidden features and accessories, this surprisingly simple grill achieves an amazing array of results.</i></p>	<p>1605, 1606, 1607, 1510, 1511</p>
