Benediction

"Advent is a time of waiting, of expectation, of silence. Waiting for our Lord to be born. A pregnant woman is so happy, so content. She lives in such a garment of silence, and it is as though she were listening to hear the stir of life within her. One always hears that stirring compared to the rustling of a bird in the hand. But the intentness which which one awaits such stirring is like nothing so much as a blanket of silence."
